

## Meet Northeast Florida Area Coordinator: Amy

Covering Counties: Alachua, Baker, Bradford, Clay, Columbia, Dixie, Duval, Flagler, Gilchrist, Hamilton, Jefferson, Lafayette, Leon, Madison, Nassau, Putman, St. Johns, Suwanee, Taylor, Union and Wakulia!  
Have you even heard of some of these? If we can have a homevisit performed, we will adopt a dog to any county in Florida.

Amy started working with CPR when looking for a poodle. After impatiently adopting a poodle elsewhere was asked to foster and three years/ sixteen poodles later, is still going strong. She recently had a foster failure when she adopted her foster after just a few days!

- Works with 2 vet offices
- Covers 4 shelters and watches one
- Currently looking to increase volunteers in the Jacksonville area, the fosters on our list are all 'failed fosters' and have adopted their foster dogs so no longer can foster

Cookie was her first foster, Max was a foster on seizure meds, Buddha was considered un-adoptable by the Humane Society but was rehabilitated and adopted to a wonderful lady. Pico was so cute and though he did not like children, he loved his foster brother and new foster daddy.

Can always use help with events in the area:

- Dog days with PARC
- Adventure Landing Pet adoption days
- Jacksonville Humane Society Events

Everyone can help in some way:  
ADOPT            FOSTER  
DONATE        VOLUNTEER  
SPONSOR
